

Terms & Conditions

Last updated: June 25, 2026

Application: Wildscat: Animal Scat ID

Company: APPIFY STUDIOS LLC

1. Introduction

These Terms and Conditions apply to the **Wildscat: Animal Scat ID** mobile application (the "Application") provided by **APPIFY STUDIOS LLC** (the "Service Provider") as a freemium service.

By downloading, installing, accessing, or using the Application, you agree to be bound by these Terms and Conditions. If you do not agree to these terms, please do not use the Application.

2. Intellectual Property

The Application, including its design, software, features, trademarks, content, databases, and related intellectual property rights, belongs to the Service Provider or its licensors.

You may not copy, modify, distribute, sell, lease, reverse engineer, decompile, extract source code from, translate, or create derivative works of the Application without prior written permission from the Service Provider.

3. Service Purpose

The Application uses image analysis and artificial intelligence to help identify animal scat, droppings, and related wildlife signs from photos you provide. The results are intended for educational, recreational, field observation, and general informational purposes.

The Application is not a substitute for advice from wildlife professionals, veterinarians, public health authorities, park officials, or other qualified experts.

4. Service Modifications

The Service Provider may update, modify, suspend, discontinue, or limit any part of the Application at any time. We may also change available features, pricing, subscription options, or supported platforms.

If paid services are offered, all pricing and billing terms will be presented clearly before you complete a purchase.

5. Data, Privacy, and Security

The Application may store and process information that you provide or generate while using the Service, including photos submitted for analysis, optional location information, analysis history, device information, subscription status, and app settings.

Your use of the Application is also governed by our Privacy Policy, which explains how information is collected, used, stored, and shared. Please review the Privacy Policy before using the Application.

You are responsible for keeping your device, account, and access to the Application secure. We strongly advise against jailbreaking or rooting your device, as this may compromise device security and cause the Application to function improperly.

6. Third-Party Services

The Application may use third-party services that have their own terms and privacy policies, including:

- **RevenueCat:** Subscription and in-app purchase management
- **Apple App Store:** App distribution and payment processing on iOS
- **Google Play Store:** App distribution and payment processing on Android
- **AI and cloud service providers:** Image analysis, hosting, diagnostics, and related service functionality
- **Map and location services:** Displaying or saving discovery locations when you choose to use location features

You are responsible for reviewing and complying with the terms of any third-party services used in connection with the Application.

7. User Content and Submitted Photos

You are responsible for the photos, notes, location context, and other information you submit through the Application. You represent that you have the right to submit such content and that your use of the Application will not violate any law or third-party rights.

By submitting content for analysis, you grant the Service Provider a limited, non-exclusive, worldwide license to process that content solely for operating, maintaining, securing, and improving the Application and providing the requested identification result.

8. Internet Connection and Data Usage

Some functions of the Application require an active internet connection, including submitting images for AI-powered analysis, retrieving results, syncing or loading service data, and processing subscription transactions.

The Service Provider is not responsible if the Application does not function fully because of unavailable internet access, network restrictions, exhausted data allowance, roaming limitations, or third-party service outages.

You are responsible for any data, roaming, or carrier charges that may apply while using the Application.

9. Device Responsibility

You are responsible for ensuring that your device remains charged, functional, connected when required, and compatible with the Application. You are also responsible for maintaining sufficient storage and camera access if you use photo capture or upload features.

The Service Provider is not liable for service interruptions caused by device failure, insufficient battery, lack of permissions, unsupported operating system versions, or other device-related issues.

10. Accuracy and Limitation of Liability

Although the Service Provider strives to provide useful and accurate identification results, the Application relies on artificial intelligence, image quality, contextual information, and third-party systems. Identification results may be incomplete, inaccurate, or unsuitable for certain decisions.

The Service Provider accepts no liability for any direct, indirect, incidental, consequential, or other loss arising from your use of or reliance on the Application, including inaccurate identification results, service interruptions, third-party failures, or user-submitted content.

Important: Animal scat identification is provided for educational and observational purposes only. Results should not be used as the sole basis for:

- Wildlife management or conservation decisions
- Safety assessments involving potentially dangerous animals
- Public health, medical, veterinary, or sanitation decisions
- Scientific research without independent verification
- Legal, regulatory, hunting, trapping, or land management compliance

Always consult qualified wildlife experts or local authorities for critical decisions.

11. User Conduct

By using the Application, you agree to:

- Use the Application only for lawful purposes
- Respect wildlife, land access rules, and local regulations
- Not submit illegal, harmful, abusive, offensive, or misleading content
- Not attempt to disrupt, reverse engineer, hack, or compromise the Application
- Not use the Application to infringe the rights, privacy, or safety of others
- Provide accurate information when required for service functionality

12. Subscriptions and Payments

The Application may offer premium features through subscriptions or in-app purchases. By making a purchase, you agree to pay all applicable fees displayed in the Application and to the billing terms provided by the relevant app store or payment provider.

Subscriptions renew automatically unless cancelled at least 24 hours before the end of the current billing period, or as otherwise stated by the applicable app store. Your account may be charged for renewal within 24 hours before the end of the current period.

You can manage or cancel subscriptions through your Apple App Store or Google Play Store account settings. Deleting the Application does not automatically cancel an active subscription. Refunds are handled according to the policies of the

platform through which you purchased the subscription.

Premium features may include unlimited identifications, detailed analysis, saved history, map features, or other functionality described in the Application at the time of purchase. Available features, pricing, and subscription plans may change over time.

13. Updates and Compatibility

The Service Provider may release updates to improve functionality, security, compatibility, or performance. You may need to install updates to continue using the Application or certain features.

The Service Provider does not guarantee that the Application will remain compatible with every device, operating system version, or platform indefinitely.

14. Termination

The Service Provider may suspend or terminate your access to the Application at any time if you violate these Terms, misuse the Service, engage in fraudulent or illegal activity, or if the Service Provider decides to discontinue the Application.

Upon termination, the rights granted to you under these Terms will end, and you must stop using the Application.

15. Changes to These Terms

The Service Provider may update these Terms and Conditions from time to time to reflect changes in the Application, legal requirements, third-party services, or business practices.

When these Terms are updated, the "Last updated" date will be revised. Your continued use of the Application after changes are posted means you accept the updated Terms.

16. Governing Law

These Terms and Conditions are governed by the laws of the United States of America, without regard to conflict of law principles, unless mandatory local law provides otherwise.

17. Severability

If any provision of these Terms is found to be invalid or unenforceable, the remaining provisions will remain in full force and effect.
